ABOUT VIT

Vellore Institute of Technology (VIT) is one of India's premier institutes which solemnly stands by its motto, "A place to learn, A chance to grow." Since the establishment of the institution, its prime focus has been on the holistic development of young minds and to ignite the spark of innovation in them. With students from all over India as well as from over 41 countries, VIT portrays not only excellent academic records but also its healthy environment. "Fully Flexible Credit System" (FFCS), Project Based Learning (PBL) and a digitized portal network are few key features of VIT's diversified academic system. Industrial visits, Guest lectures by experts and innumerable hackathons make the students better problem solvers of the real world. Several clubs and chapters provide a platform to students to showcase their creativity along with their technical skills. VIT also has ties with world renowned industries and institutions. In terms of accreditation and rankings, VIT holds the no.1 position among the Private engineering institutions in India and has been ranked No.1 private institution in India for Innovation in 2019 by Govt. of India. The world ranking body, QS has given VIT a 4 star rating, for three consecutive years. FICCI has also honored VIT for its "Excellence in Faculty" and "Excellence for Internalization of Education". VIT's ultimate aim is the welfare of society and mankind

ABOUT US

MOZILLA FIREFOX CLUB VIT is one of the largest developers' communities in VIT University aiding you to change your ideas into reality.

The club aims to technically strengthen the students by integrating their skills in various fields of Engineering & technology, so as to confront with the highly competitive environment. We provide a morale-boosting system for talented youth through our professional endeavors and inspire each other to follow our academic interests and goals. It achieves all of it by conducting various interactive workshops and events mentored by influential, talented and experienced people.

ABOUT GRAVITAS

graVITas is the annual technical fest of Vellore Institute of Technology. Although focused on bringing out the technical prowess of students, it is not just for those with a sound experience with technology. It is a “festival of innovation and creation” wherein innovators not only dazzle others with their inventions but also shower their knowledge unto the students whose skills are at an embryonic stage but have a proclivity towards gaining exposure to cutting-edge technology
